

## MORTGAGES ARE BURNED

Thanksgiving Jubilee Services  
at First Baptist Church.

## INTERESTING PROGRAM

Addresses Made by Pastor and Other  
Leaders of Church—Mrs. Haynes  
Sets Fire to Bonds in Presence of  
Large Crowd.

With interesting and appropriate exercises, the congregation of the Newport News Baptist church last night celebrated the cancellation of the mortgage on the church building and the burning of the bonds which have recently been retired. A crowd that filled the auditorium of the church and overflowed into the galleries attended the special Thanksgiving jubilee.

Addresses were made by Rev. Lloyd T. Wilson, D. D., the pastor, who has worked energetically for the raising of funds with which to retire the bonds on the church; W. M. Parker, his church, and Mr. Copeland, in Rev. E. T. Wellford, D. D., pastor of the First Presbyterian church. Dr. Wilson made a very happy little address on the success of the church in raising the necessary funds to retire its debt.

Dr. Wellford said that he was sorry that he could not burn the bonds on his church, and W. S. Copeland, in the course of his remarks, declared that he wished it were possible for every church in the city to retire its indebtedness and celebrate the burning of the bonds.

Messrs. Parker and Barrett told of the success with which the various committees named to raise money had met. Treasurer W. B. Vest read a very interesting statement of the finances of the church.

The services opened with an organ voluntary by Mrs. C. C. Epps and the pastor offered the invocation. Following an anthem by the choir and a hymn by the congregation, S. R. Bunt read a selection of scripture. A solo was rendered by Mrs. S. P. Marston and there were several other enjoyable selections by the choir.

At the close of the exercises, Mrs. Amy E. Haynes, a charter member of the church, burned the bonds in the presence of the audience. The bonds had been placed in a receptacle on the pulpit and Mrs. Haynes applied a match to them.

After the pastor pronounced the benediction the audience retired to the basement of the church, where refreshments were served by the Pastor's Aid Society and the Ladies' Aid Society.

## BIG CROWD ATTENDS LAYING OF STONE

Interesting Ceremony Held at  
Trinity Baptist Church,  
Colored.

A crowd estimated at from two to three thousand, including both negroes and white people, attended the laying of the corner stone of the Trinity Baptist church, colored, on Chestnut avenue, at 10 o'clock yesterday. A very interesting program was carried out and the services were thoroughly enjoyed by the crowd. Following the exercises, a big oyster roast and barbecue was held near the church.

J. Thomas Newsome presided as master of ceremonies and introduced the speakers. The Widows' Sons Lodge of Masons, colored, had charge of the laying of the corner stone, and B. F. Jackson was the chief marshal of the parade which preceded the ceremonies.

Mayor Maryus Jones delivered the principal address, being introduced by Attorney W. E. Walker, colored. Rev. A. A. Graham, D. D., colored, made the response. Remarks were made by Revs. G. T. Jones, C. E. Jones, Norman Brown, T. J. Jones, W. A. Taylor and J. W. Patterson and by Prof. J. S. Lee.

A special music was rendered by a quartette composed of Eva Brooks, Bessie Brooks, Mattie Lassiter and James L. Ford.

The crowd was exceedingly orderly throughout the ceremonies and there was not a single disturbance to mar the day.

## Lord Kitchener and Marriage.

There has been a good deal of gossip at one time and another as to Lord Kitchener's views on marriage for soldiers. He would not have a married officer on his staff in Egypt, but the fact that he is to be best man to his friend, Gen. Sir Archibald Hunter, seems to prove that his objections are not insuperable. Lord Kitchener is 60 years of age and the circumstance of his still being a bachelor has led a lot of people to call him a woman hater.

He himself tells the story of an encounter which he once had with a young lady. It was in India, at a small hill station. A tennis party had been arranged at which practically all the officers hoped to play. Then, to the general consternation, Lord Kitchener ordered a parade of the entire garrison on the very day appointed for the tennis. "Have you forgotten the tennis party?" the young lady asked him. "Not in the least," was the grim reply. "Well, then," said the young girl in extreme indignation, "I think you're a perfect beast."—London Daily News.

## EASTERN IS DEFEATED

St. Vincent's Eleven Wins  
Gruelling Contest 11 to 0.

## BIG CROWD TURNS OUT

Collegians from Battlefield of Manassas Given Real Surprise by Husky  
Newport News Boys—Hancock  
Hamilton Star of Game.

Before a crowd of 800 enthusiasts, St. Vincent's football eleven defeated the strong team of Eastern College at the Casino park yesterday afternoon by a score of 11 to 0 in the fiercest battle seen in this city in years. The visitors were outplayed at every stage of the game and threatened the home goal only twice during the contest.

Eastern College had expected to score a rather easy victory over the locals and defeat came as a surprise to them and their supporters. However, it was not at all surprising to the local enthusiasts who have watched St. Vincent's work this season, for the locals have played great ball throughout and have won from all comers.

## Hamilton the Star.

Hancock Hamilton, who played quarterback for Eastern early in the season, was the bright star of the game. He received a number of hard knocks from the visiting players and was hurt two or three times, but he stuck the game out and afterwards was carried from the field by a crowd of joyful rooters. He ran his team well and made a number of long gains himself on end runs. He also scored the second touchdown for the locals in the fourth quarter, recovering a fumbled punt and running thirty yards to the goal line.

Charles Allen also starred for the locals, making a number of end runs. Captain Wilkinson, Cochran, Tom Allen, Zimmerman and Sutton also did good work and, as usual, St. Vincent's line held well against the attacks of the visiting backfield men.

Score in First Quarter.  
St. Vincent's scored in the first quarter after Allen intercepted a forward pass. The ball was carried down the field on end runs and line plunges, and Fullback Cochran was sent over the line for the first touchdown. C. Allen missed the goal, making the score 5 to 0.

Neither side was able to score in the second and third periods and it looked as if the final count would be 5 to 0, but in the closing quarter Carroll fumbled a punt, and Hamilton scooped the leather in and, with a clear field, scored a touchdown. Hamilton kicked the goal.

Carroll, who formerly played quarterback for St. Vincent's, came in for the brunt of the local attack and was so badly injured that he had to be removed from the game in the last quarter, Jones taking his place. Carroll did not play up to his usual good form.

## Wrangling Over Decisions.

The game was marred by much wrangling over the decisions of the referee and many delays resulted, it being necessary to refer to the rule book on numerous occasions. However, the slowness of play did not seem to dampen the ardor of the majority of the spectators.

While both teams used the forward pass to some extent, straight football was largely resorted to and it proved the best and surest ground gained for both sides. The locals worked the forward pass effectively and with better success than Eastern and they also gained much more ground than the visitors could on end runs and line plunges.

Center was easily the star for Eastern, but Norris, Hayes, Rector and Bell also played good ball.

## COMPLETING DOUBLE TRACK.

Only Ten Miles to be Laid Between  
This City and Richmond.  
The work of double tracking the Chesapeake & Ohio between this city and Hampton is nearly completed now and it is expected that by January 1, the railway will have a complete double track from Newport News to the State capital. A link of five miles was completed this week and the remaining link of ten miles from Providence Forge to Richmond, will be finished by about January 1.

## AMUSEMENTS

With packed houses at both matinee and night and many hundreds of people turned away the Olympic show for the last half of the week made a big hit yesterday. "Noodles" Fagan presented an entirely different act that is very pleasing and last night conducted one of his famous newsboy carnivals on the stage.

Barto and Clark in a clever sketch "The Lady and the Bell-Hop" had a chance to display their ability as performers and at the same time worked in several good songs and dancing numbers to advantage. Burgos and Clara, novelty Western gymnasts, and Hawley and Telford complete the bill.

In addition to the prizes of \$10.00 and \$5.00 in gold for tonight, the Olympic will present eight additional prizes in the way of articles of value, making ten prizes in all. This will be an incentive to the public to turn out on a day that would ordinarily be very poor from a standpoint of business, following as it does immediately on a holiday.

## HOLIDAY PASSES OFF QUIETLY HERE

Crowds Go to Norfolk and  
Richmond to See Big Football Games.

Thanksgiving Day passed off very quietly in Newport News. The usual holiday crowd was on the streets during the morning and afternoon and last night hundreds of people gathered at the show houses. In the afternoon the football game at the Casino attracted several hundred men and women, that being the only special event of the day here.

It is estimated that 800 people left the city yesterday, more than half that number going to Norfolk to see the annual football game between V. F. I. and A. M. C. A special train carried a large crowd to Richmond to attend the aviation meet and the annual football game between Virginia and North Carolina.

Quite a large number of visitors came into the city yesterday and joined with the holiday crowds. Among them were many local young men who are attending colleges and universities in this State.

Business was practically suspended throughout the day. The shipyard, banks and custom house were closed and Sunday hours were observed at the postoffice. Most of the stores closed in the afternoon and practically all of the offices in the city were shut up after noon.

The crowds were very orderly and there was no trouble of any kind on the streets. Only a few arrests were made by the police and nearly all of the offenders jailed had imbibed too freely of "red-eye."

## McPHERSON-GOOCH.

Well Known Young Couple Married  
in Norfolk Wednesday.

Miss Nannie McPherson, of this city, and Mr. John Young Gooch, of Richmond, were quietly married Wednesday at noon by Rev. Mr. Gayle, pastor of the Cumberland Street Methodist church, of Norfolk, at the minister's home. Mr. McPherson went to Norfolk Tuesday afternoon and made arrangements for the wedding, and Wednesday he and his bride went to the home of Rev. Mr. Gayle, accompanied by Mr. Franklin Adams, of Richmond.

The bride was married in a blue traveling suit, with hat and gloves to match, and had a corsage bouquet of lilies of the valley.

Mr. and Mrs. Gooch left Wednesday night on the Washington steamer for a trip through the North. Upon their return they will make their home at 329 Addison street, Richmond, for the present. Mr. Gooch, who is employed by Harwood & Moss, of this city, is stationed in Richmond temporarily.

Mr. Gooch has lived in Newport News for a number of years. She is the daughter of Mrs. R. L. McPherson, who recently moved to Nampa, Idaho, on account of the health of another daughter.

## A Strange Situation.

"Humor is a funny thing," said Binks. "It ought to be," said the Philosopher. "Oh, I don't mean that way," said Binks. "I mean that it is a strange thing. Now, I can't speak French, but I can always understand a French joke; and I can speak English, but I'm bleat if I can see an English joke." "Most people are," said the Philosopher. "Are what?" said Binks. "Bleat if they can see an English joke," said the Philosopher. "It is a sign of an unusually keen vision."—Harper's Weekly.

## Schools of Housekeeping.

Diplomatic dispatches state that the Prussian government will, in its next budget, ask for a large grant or appropriation to provide for itinerating housekeeping schools. These are to move from place to place, and give instruction in housekeeping to the daughters of laborers, craftsmen, and farming people. The plan of instruction comprises cooking, baking, conserving, and putting up fruit, vegetables and other food articles; dairying, feeding and taking care of farm animals; poultry culture; raising of fruit and vegetables; sewing, repairing and cleaning of clothing; laundering, cleaning and sanitation of the home; nutrition and health. The course of instruction will take about eight weeks. Schools of this sort have been in existence in the Rhinish province and in some of the other German states and have been of great benefit. It is intended eventually to provide such an itinerating school for every county in Prussia. We might adopt the plan of the Prussian government with profit.—St. Louis Star.

## A BURNING ERUPTION FROM HEAD TO FEET.

"Four years ago I suffered severely with a terrible eczema, being a mass of sores from head to feet and for six weeks confined to my bed. During that time I suffered continual torture from itching and burning. After being given up by my doctor, I was advised to try the Cuticura Remedies. After the first bath with Cuticura Soap and application of Cuticura Ointment I enjoyed the first good sleep during my entire illness. I also used Cuticura Resolvent and the treatment was continued for about three weeks. At the end of that time I was able to be about the house, entirely cured, and have felt no ill effects since. I would advise any person suffering from any form of skin trouble to try the Cuticura Remedies as I know what they did for me." Mrs. Edward Nanning, 1112 Salina St., Watertown, N. Y., Apr. 11, 1900. For eczema, rash, itching, irritations and chafing, from infancy to age, Cuticura brings instant relief and points to a speedy cure when all else fails.

## A Pleasant Surprise

That's what you've got coming when you get your first month's gas bill for cooking and lighting. We venture the opinion that it will not be one-half as large as you expected it would be. If you think that gas is too expensive for you to use for cooking why not satisfy yourself on that point? We'll charge you nothing for telling you about what the amount of gas you'd likely use would cost you each month. Just think of the comfort you're missing by not having a gas range.
